News and Updates

Fall Quarter 2014 Registration:

The deadline to pay fees is September 26, 2014. E-bill notices were sent to students on September 5, 2014. A fee reminder email was sent to all students regarding the deadline on September 12th and again on September 19th. Students whose registration fees are not paid by October 1st at 11:59 p.m. will be dropped from classes and wait lists. An email notification will go out on October 2nd, notifying students that they have been cancelled from their classes and wait lists due to non-payment of mandatory registration fee. We are asking everyone to reinforce this important date to ensure as few cancellations as possible. Visit the Registrar’s Office homepage for details!

Preauthorization for Post-Grading Prerequisite Enforcement (PGPE):

As a reminder, students must be preauthorized for a course in order for the PGPE program to bypass them if they have not fulfilled the required prerequisites. Students will be dropped from Fall Quarter courses on September 30th, if they have not been preauthorized to bypass the required prerequisites.

Modified Fall 2014 Grading Cycle (24 hours earlier):

eGrades opens on December 15, 2014 for the submission of grades for Fall 2014. Instructors or Authorized Graders may log into eGrades through BLINK Instructional Tools or egrades.ucsd.edu beginning October 2nd. See the eGrades Blink page for more information.

After careful review and in consultation with Academic Senate, the Office of the Registrar will be making an adjustment to the Fall grading cycle. The deadline for initial submission of Fall Quarter 2014 grades will be shortened by 24 hours (closing eGrades on Monday, December 22nd) to allow for the completion of the processes necessary to finalize Fall grades prior to the start of Winter 2015 quarter.

Monday, December 22nd, grades must be submitted by 11:59 p.m. (PDT) Tuesday, December 23rd, is the Black Out/Dead Day
Wednesday, December 24th, eGrades reopens for grade changes.

Failure to attend class or Fall Quarter is not a basis for refund.

FERPA (Student’s Privacy and the Release of Private Information):

The Registrar’s Office has the custodial responsibility for maintaining the integrity of student records and data. The disclosure of information from student records is governed by the Federal Family Educational Rights and Privacy Act (FERPA), by the State of California Educational Code, and by University of California policy. Student information is highly confidential. It is made available to other offices on campus under a provision of the law that permits disclosure without the written consent of students to “personnel within the institution determined by the institution to have legitimate interest.” Students have the right to restrict any or all of their information. Legislation and policies may classify student information such as name, address, phone number, college, major, level, and degrees awarded as public or directory information. Only the Registrar should release this information to third parties.

Public Information

Unless specifically restricted by the student, UCSD considers the following to be public information:

- Student Name
