2-Pass Enrollment Process at UC San Diego:

Effective Fall Quarter, 2012, a new two-pass enrollment process was implemented for UCSD’s undergraduates to ensure that everyone has the opportunity to enroll in required pre-major, major, and GE courses.
First Pass
- Students may only enroll in 11.5 units within a 48 hour timeframe
- All undergraduates have a better chance to obtain at least two required classes
- Wait lists are not available during First Pass
- Students that do not enroll during First Pass must wait until Second Pass to enroll, including priority students

Second Pass
- Students may enroll up to 19.5 units during their second pass, including wait listed courses
- As of the first day of instruction, students may enroll up to 22 units, as previously

eGrades launch for Spring 2012:

eGrades, UC San Diego’s new electronic grade reporting system went live on 6/4/12 for the designation of Authorized Graders (if instructors choose this function) and to submit grade changes for previous quarters. eGrades opens on 6/11/12 for the submission of grades for Spring 2012. Instructors or Authorized Graders may log into eGrades through BLINK Instructional Tools or egrades.ucsd.edu. See the eGrades Blink page for more information. Grades must be submitted by 11:59 p.m. (PDT) on Tuesday, 6/19/12.

Grade Distribution:

Associated Students of UCSD have developed a grade distribution tool and have made it available from their website, http://as.ucsd.edu/gradedistribution. This is similar to the grade distribution tool that the Registrar’s office maintained until recently. The grade information is provided to ASUCSD as public information.

Preauthorization for Post-Grading Prerequisite Enforcement (PGPE):

As a reminder, students must be preauthorized for a course in order for the PGPE program to bypass them if they have not fulfilled the required prerequisites.

Summer Session 1 and Special Session
Missing prerequisite emails will be sent to Summer Session 1 and Special Session on 6/25/12 notifying the student of the affected class. Students will be dropped from Summer Session 1 and Special Session courses on 6/26/12, if they have not been preauthorized to bypass the required prerequisites. Missing prerequisite queries will be available the morning of 6/22/12 for Summer Session 1 and Special Session for departments to preauthorize eligible students.

Community Service:

TritonCare (formerly the Office Community Service Workgroup) is pleased to announce that on April 10th, we held a bake sale that generated $600, which was donated to the United Way/CHAD campaign, WALK MS, and the Lung Cancer Alliance’s Breath of Hope Walk. The success of the event could not have been accomplished without our friends and colleagues that supported us and our efforts. Thank you everyone!

Future projects include; Stand Down, San Diego, which provides vital services to homeless veterans, and the American Cancer Society’s Relay for Life, which raises funds for support programs and research to end cancer. You can email Johan Hill at jhill@ucsd.edu to find out more and how to get involved. Thank you for your support.
